GREETINGS HUGH HAMMOND BENNETT CHAPTER MEMBER

I am hoping that you had a Happy Thanksgiving! Thanksgiving offers us a wonderful opportunity to celebrate with family and friends and return thanks for our many blessings. Let us all continue to offer thanks by nominating an individual or group worthy of receiving recognition and praise for their outstanding contributions to soil and water conservation from our Soil and Water Conservation Chapter. I am inviting each chapter member to submit a nomination this year to the HHB nominating Committee. Surely you know someone worthy of recognition for their achievements in Soil and Water Conservation. Remember to carefully review the criteria for each award category. Some awards are for active chapter members only and others are open to any conservation minded individual or group.

Go ahead and mark your calendars. We are planning to hold our Annual Awards Celebration on Saturday, February 24, 2018. The location and time of our celebration will be provided later.

In closing, please submit your nomination or nominations today before the rush of the Christmas Season. Send your completed nomination form to Chapter Awards Committee member, John Beck, by Friday December 29, 2017.

Sincerely,

Matthew J. Kinane

Matthew J. Kinane
HHB Chapter President
